

Phonology (Audio Sample)

Strengths

- Danny can express her ideas clearly and is a good storyteller.
- Her pronunciation is easy to understand.

Growth

- **Video:** Pronounces relative as REEL-AH-tive[0.22]
Relative
- **Video:** Watching es sports. Replacing es with is. [Video 3:57]
- Pronounced in as ing (like en in Spanish). Working on vowel sounds could be helpful for her.

Home Language Transfers

- **Video:** Watching es sports. Replacing es with is. [Video 3:57]
- Since Spanish is her main language she speaks at home, the transition of using is and es can be common.
- In Spanish, if a word starts with s it needs to be connected to another sound, which could be why she pronounced stayed and spend as es-tayed and es-pend.

Semantics (Audio Sample)

Strengths

- Danny defined what a 'Manga' which is a Japanese comic/graphic novel in both in her writing.
(Video: 1:22)

Growth

- **Speaking:** sitting in the couch should be sitting on the couch

Home Language Transfers

- In Spanish, en is used for in and on which can be confusing in English.
